OUR PREFERRED VENDORS

Your Vision, Woven Into History

We are absolutely delighted to welcome you to Historic Rock Castle. Your wedding is the beginning of a beautiful new chapter, and we are honored that you are considering our grounds as the backdrop for your story. To help you bring your vision to life with ease and elegance, we have prepared the following guide for selecting your creative team.

Vendor Guidelines

To maintain the integrity of your event and our historic site, all outside vendors must be approved by the Rock Castle team. This simple process includes submitting a Vendor Application, providing proof of insurance, and joining us for an on-site walkthrough to review our venue policies.

Bar Services

In accordance with Tennessee law, all alcohol must be served by a TABC-licensed bartender. Please select a professional from our preferred list or submit an outside vendor for approval at least 30 days prior to your celebration.

We're Here to Help

Planning your dream day should be a joy! If you have any questions or need a recommendation, please reach out:

To simplify your planning, bartending services may be coordinated directly through your approved caterer. Should your caterer not offer beverage service, we invite you to select a professional from our Preferred Vendors list. To ensure the highest standard of service, any outside bartenders must be approved by the Rock Castle team and attend a brief meeting prior to booking.
